

MEMORANDUM OF UNDERSTANDING
between
COUNCIL OF ENGINEERS THAILAND
and
INSTITUTE OF ENGINEERING EDUCATION TAIWAN

Whereas:

- (A) **Both parties** acknowledge their commitment to enhancing the quality of engineering education and having experience in engineering accreditation system in Thailand and Taiwan respectively;
- (B) **Both parties** share an interest in promoting the quality assurance in engineering education worldwide;
- (C) **Both parties** are both committed to the quality assurance in professional assessment of engineers.
- (D) **Both parties** are interested in promoting cooperation between them;

Both parties therefore agree to collaborate in matters related to engineering education, accreditation activities, and professional assessment as follows:

1. Develop procedures to facilitate the exchange of representatives to observe the accreditation activities of both organizations;
2. Collaborate in the development of workshops to promote principles and practices to address current needs of either party in the accreditation of engineering education and professional assessment;
3. Develop substantial equivalency in accreditation system under the International Engineering Alliance based on collaboration, information and document exchange, and review of accreditation procedures;
4. Negotiate and mutually agree to share expenses in the implementation of this Memorandum of Understanding prior to the execution of any projects or services.

This Memorandum of Understanding shall become effective from the date it is signed and may be revised through mutual agreement of both parties or terminated by either party upon six months written notice.

Signed on **March 2020**

Mr. Suchatvee Suwansawat
President
Council of Engineers Thailand

Mr. Shan-Hwei Ou
President
Institute of Engineering Education Taiwan
