

MEMORANDUM OF UNDERSTANDING
between
MYANMAR ENGINEERING SOCIETY (MES)
and
INSTITUTE OF ENGINEERING EDUCATION TAIWAN (IEET)

Whereas:

- (A) **MES** acknowledges its commitment to enhancing the quality of engineering education and has expertise in engineering education in Myanmar;
- (B) **IEET** acknowledges its commitment to enhancing the quality of engineering education and has experience in engineering accreditation system in Taiwan;
- (C) **MES** and **IEET** share an interest in promoting quality assurance in engineering education worldwide;
- (D) **MES** and **IEET** are interested in promoting cooperation between the two organizations in Myanmar and Taiwan;

MES and **IEET** agree to collaborate in matters related to engineering education and accreditation activities. To establish linkages for cooperation, they agree to:

1. Collaborate in the development of workshops to promote principles and practices to address current needs of either party for the benefit of promoting engineering education;
2. Negotiate and mutually agree upon any expenses associated with the implementation of this Memorandum of Understanding prior to the execution of any projects or services.

This agreement is valid effective the day it is signed and may be revised through mutual agreement of both parties or terminated by either party upon six months written notice.

Signed this 1st day of May 2017.

Tsong-Ming Lin, Ph.D.
President
Institute of Engineering Education Taiwan
(IEET)

U Aung Myint
President
Myanmar Engineering Society (MES)
